hereby assert claim to the following described cashier's check:

Remitter Name:	
Account Number:

Amount:	
Payee's Name:	

Under penalty of perjury I, _____, remitter and/or payee of the above-described check, certify that: i) I lost possession of the check; ii) the loss of possession was not the result of a transfer of possession by me or a lawful seizure of the check; and iii) I cannot reasonably obtain possession of the check because the check was (select one):

Deposit Instruction

Please indicate how you would prefer the funds be made available:

- Credit my Northwest Federal (NWFCU) account, OR
- Reissue a new cashier's to the same payee for the amount listed above

Indemnity Agreement

I agree to indemnify and hold NWFCU harmless against all claims, demands and actions arising from or on account of the Cashier's check and will pay, upon demand, any loss, expense, court cost, attorney's fee or damage it may sustain arising from the recovery, negotiation or refusal to pay the above referenced check.

I understand the claim has no legal effect until it is enforceable. A claim becomes enforceable at the later of i) the time the claim is asserted, or ii) the 90th day following the date of the check. My claim may be unenforceable if the Declaration of Loss fails to reach NWFCU at a time and in a manner which affords NWFCU time to act on it before the check is paid. If the check is presented by a holder in due course within 90 days of the date of the check, it will be paid by NWFCU and I indemnify NWFCU. I further understand, if the check is presented for payment by a holder in due course after 90 days from the date of the check, I am obligated to either refund the payment to NWFCU if the check is honored or pay the amount of the check to the person having rights of a holder in due course if the check is dishonored. In addition, if the check is later found or recovered, I will not negotiate or transfer it. Instead, I will deliver it to NWFCU for cancellation.
