How We Will Calculate Your Credit Card Balance: We use a method called “average daily balance” (including new purchases) for credit card.

Variable Rate Information: For Platinum (excluding FirstCard) and NOW REWARDS cards, your APR is subject to change monthly based on the U.S. Prime Rate published in the *Wall Street Journal* on the last business day of the prior month. Your APR is determined by adding a Margin to the U.S. Prime Rate. The Margin is a percentage amount that we determine based on an evaluation of your credit history and ranges from 5.99% to 16.50%, depending on product type.

Information, including rates, accurate as of August 1, 2023 and subject to change without notice. To determine if any changes have occurred since this date, call 844-709-8900.
